

YORK COUNTY BASEBALL SUMMIT

A one-time event to discuss the future of amateur baseball at all age levels in York County

**FEBRUARY 1, 2025
10:00–NOON**

CO-HOSTED BY THE YORK REVOLUTION AND YORK YOUNG REVOLUTION

As a volunteer leader helping players learn the game of baseball, we invite your help in thinking about the future of the game we love. What challenges are you facing? Is participation increasing or declining? What can we do together as the adult leaders to foster participation in baseball in York? Are there ways we can collaborate better?

Please come add your voice to the conversation for the sake of the sport we love!

Please note that this is not a sales pitch for any one organization or style of play, or for the York Revolution or Young Revs. It's a genuine attempt to figure out how we can all support each other in various approaches to increase participation and build the love of the game in our next generation of players.
