York Young Revolution

Dear LadyRevs Sponsor:

My name is Anne Rivers. I am the Director of Softball of LadyRevs, the softball arm of the Young Revolution, sponsored in part by the team. I am reaching out to ask you to join the Revolution in sponsoring our team for its 2024-2025 season which started on September 1, 2024.

The Young Revolution and LadyRevs have been training baseball and softball players for years, preparing them for the challenges of NCAA college competition. This training includes preparation for success on and off the field. The LadyRevs is a volunteer operated nonprofit. The team practices and competes all year. Continued support from families and businesses is critical to play ball and keep fees and expenses for each athlete low. In our 2024-2025 season, we plan to compete in 10 tournaments in our region which will cost us \$15,800. We would appreciate your support this year. The Young Revolution is a non-profit so all donations are tax deductible.

We would appreciate your support. I would like to ask your organization to join us as a sponsor. We appreciate your support at any level and assure you that the team appreciates your tax-deductible contribution.

Please let me know when you have some time to discuss. I would love to tell you more about the LadyRevs and the Young Revolution. You can call me at 570.665.0955 or [annemrivers@gmail.com](mailto:annemrivers@gmail.com) or [yorkladyrevs@gmail.com](mailto:yorkladyrevs@gmail.com).

Please don't hesitate to contact me directly if you have any questions.

The Young Revolution and The LadyRevs have been helping create successful youth athletes for decades, building athletes that learn to perform as young adults and achieve their collegiate dreams.

We appreciate your support - GO REVS!!!
